

November 12, 1945

The petition for the repair of Ditch No. 57 was brought up for hearing. After due consideration, Commissioner Stack offered the following resolution and moved its adoption which motion was seconded by Commissioner Ramsden:

The County Board hereby resolves that Ditch No. 57 is out of repair and the repair thereof is necessary if said ditch is to accomplish its purposes;

The Board further resolves that J. E. Hill be appointed Engineer to examine the ditch and make the report of the necessary repairs with the estimated cost thereof and all details, plans and specifications required to supply the necessary details to enable the County Board to let a contract for the repair of said ditch.

Motion carried.
