The place of commencement of said ditch at its source is as follows: Commencing at or near the northeast corner of the $\frac{1}{4}$ of section 2, town 22, range 23, thence in a generally southerly and westerly direction through sections 11, 14, 22, 23 and 27, said town and range, to Coon Creek (so called) as its outlet, and there terminating, to the lowest responsible bidder or bidders, said work to be completed within the time required, and in the manner specified, in said viewer's report. And no bid will be entertained which exceed more than thirty (30) per cent. over and above the estimated cost of the construction, in any case, as stated in the said order; and the successful bidder will be required to give a satisfactory bond, with two freehold securities, for the faithful performance and fulfillment of his contract, and to pay all damages that may accrue by reason of his failure to complete the job within the time required in the contract.
