State of Minnesota, held Seffences 26
188/, a petition signed by Henry De Reion Augustus Raff
Theodore Briant- Pidre brete John BHouled la Cardina
land owners, whose lands were liable to be affected by, or assessed for, the expense of the construc-
tion of the work proposed therein, praying for the establishment and construction of a public
along a route described therein, accompanied by a bond duly
approved, as provided by law, was filed with the County Auditor of said County; and it appearing
by proper evidence to the satisfaction of said Board of County Commissioners that at least thirty (30)
days' notice has been given of the pendency of said petition and of the time at which the same would be heard, as by law provided, whereupon the said Board did, at its session on the
day of Senten A. D. 18 , proceed to hear and determine said petition;
and said Board having determined that the construction of such ditch would be of public benefit or
utility, or conducive to the public health, convenience or welfare, we did accept said petition, and
thereupon did appoint, as viewers of said proposed work, three (3) resident freeholders of said
County, who are not interested in the construction of said
proposed work, and are not of kin to any of the parties interested therein, and directed them to
meet, preparatory to commencing their duties as such viewers, at the bounty buditor Office
in said County, at 100 clock A. M. on the 5 day of
October 1884; and it appearing to the satisfaction of said Board
that certified copies of the said petition and order of said Board appointing them as said viewers
was issued to and served upon said viewers, as by law provided, they proceeded, at the time set in
said order, with a surveyor who is a civil engineer, and made an accurate survey of the line of said
from its source to its outlet, and did cause stakes to be placed
along said line at each 100 feet, as numbered progressing down stream from its source, and made
and filed a report thereof; and reported that said would be of
public utility; and in their said report made the necessary computations and assessments, description
of location, the land through which the same would pass, the names of the owners, and the damages
or allowances thereto, the expense attending such work, and all the estimates, as required by law,
duly sworn to as by law required.
And the Auditor of said Sucke County did, after the filing of
said report, cause a notice to be given, to be published, posted and mailed, as by law provided, of the
pendency of said petition and of the time and place set for the hearing thereof;
How, Therefore, We, the Board of County Commissioners of said County of
having met in session at the time set for the hearing of
said petition, to-wit, the 5 day of Jamary 1882.
and adjourned to theday of188

and proceeded to hear the same, and having found that the report of said viewers is made according
