Dear Mr. Anderson:

This is to acknowledge receipt of your letter addressed to the Board of County Commissioners in which you request that Ditch No. 16 be cleaned. In writing this letter you were not definite enough as to the starting point. You mention your farm but you should give the legal description, section number and quarter where the cleaning should start.

You also failed to sign the letter. I suggest that you complete the enclosed petition, sign and return to this office for Board action on April 7th.

Yours very truly,

EAC/gs

E. A. Carlson, County Auditor

County Board of Commissioners,

Anoka, County, Minn ;

Dear Sirs;

I ask that your Board take up at your next meeting the matter of Ditch No- 16, Authorizing that said ditch be cleaned out from my land on down into Rice lake; The way the ditch has been worked on so far, it has caused an overflow to occur on my land doing damage to same.
