

Fridley, Anoka Co., Minnesota,
March 26th 1907.

To the Board of County Commissioners of Anoka Co., Minnesota.
Gentlemen:-

You are hereby notified, that Ditch No. 17, running through my lands, in Sec. 3, Township 30, Range 24, is obstructed, and the water is not running in the bed of said Ditch, East of the Railroad, as this Ditch is filled up after every rain storm, I hope your honorable body will see that the said Ditch gets the proper fall under Railroads, and lands West.

Very Respectfully,
Thomas Colman
