Gentlemen:

In checking our files we find that we do not have a copy of the contract with you covering work done on Ditch No. 18.

It is absolutely necessary that we have a copy of the contract in our files and therefore have made up another set and will appreciate it very much if you will sign and return three copies to this office. It will not be necessary to have the signature acknowledged.

The contract has of course been completed and there is nothing involved except that our records are not complete.

Yours very truly,

EAC/gs
