Ditch No. ....  
In the Matter of the Petition of  
and others for a Public Ditch.  
Order Establishing Ditch

Filed in my office this ....., 19 ..  
day of ....., 19 ..  
Clerk of Court—County Auditor.

State of Minnesota,

County of Anoka } ss.

In the Matter of the Petition of Merle Gaslin and Others
For the Repair and Modification Establishment and Construction of County Ditch No. 18 of Anoka County, Minnesota.

The above entitled matter came on duly to be heard by and before the Board of County Commissioners of Anoka County, State of Minnesota, at a special meeting duly ordered for the purpose of hearing and considering the petition for the repair and modification of said proposed ditch on the 24th day of November, 1947, at 2 o'clock P.M. of said day: and it appearing by proper evidence that due notice had been given of the pendency of said petition and of said time of hearing thereon, and that R. G. Streetley the Engineer appointed by The Board to make a detailed survey of said ditch, has completed his work and duly filed his report thereon in the office of the County Auditor of said County, and that the Viewers appointed by said Board have completed their work and duly filed their report in the office of the County Auditor the said Board did, at the time above specified, proceed to hear said petition and said Engineer's and Viewer's reports thereon; and said Board having duly considered said petition and heard all parties interested for or against the repair and modification of said proposed ditch and all other matters pertaining thereto, find as follows, to-wit:

FIRST; That the Engineer has completed his work and filed his report thereon as provided by law.

SECOND: That the Viewers appointed therein have completed their work and filed their report thereon as provided by law.

THIRD: That the repair of said ditch is practicable and that the estimated benefits to be derived from the repair of said ditch are greater than its total cost, including damages awarded.

FOURTH: That the damages and benefits arising from the repair of said ditch have been duly awarded and assessed, and that said work will be of public utility and will promote the public health and that said reports of the Engineer and Viewers are complete, just and correct.

FIFTH: That notice of this hearing of said petition and of said Engineer's and Viewer's reports has been duly given, published and posted and mailed as by law required, and that proofs of said service of said notice have been duly made and filed in the office of the County Auditor of said County, and that all other proceedings in the matter have been made and taken in accordance with the provisions of law relating thereto.

NOW, THEREFORE, As conclusions from the foregoing findings, being satisfied that the proposed ditch will be of public utility and will promote the public health and that the repair of the same is practicable, IT IS HEREBY ORDERED, That said petition be and the same is hereby granted and said ditch is hereby repaired and modified according to the Engineer's report made and filed herein, and that the report of the Viewers made and filed herein be, and the same hereby is confirmed.

IT IS FURTHER ORDERED, That the damages awarded to the persons and corporations named in the Viewer's report filed herein, in excess of benefits, be paid by warrants of the County Auditor drawn on said ditch fund and delivered to the persons entitled thereto as provided by law.
