Petition for the Repair of Anoka Co. Ditch No. 18.

To the Board of County Commissioners Anoka County, Minn.

We, The undersigned, being land owners in the drainage system known as County Ditch No. 18 lying wholly in the County of Anoka and who will be affected by and assessed for the expense of repairing said Co. ditch No. 18 do respectfully petition the board of County Commissioners of Anoka Co. to repair as nearly as possible to the same condition as when it was originally constructed including resloping of open ditch banks, clearing brush and trees and restoring bottom to its original grade.

The undersigned further petition that the board appoint a competent engineer to examine said ditch and make a report on the repairs necessary to restore said ditch to its original cross section and grade.

This ditch is wholly within the Towns of St. Francis and Oak Grove and the description of the starting point rout and terminus of said Ditch No 18 is as appears in the original petition for the establishment and construction of same and is now on file in the office of the County Auditor Anoka Co. Minnesota.
