To the Honorable Board of County Commissioners

Gentlemen

Whereas we are the owners by contract of lands described as follows, The E 1/2 of NW 1/4. NW 1/4 of NE 1/4 & Lots 1 & 3 of sec 15 Town 33 Range 24. Respectfully petition your Honorable Body for the privilege of constructing a Dam with necessary gates across a certain Public Ditch known as Ditch No 19. That by so doing we are enabled to improve said lands by overflowing. Said Dam to be so constructed so as to not flow water back on any other lands except those owned by us. and will not interfere with the drainage of other lands. The gates are to be so constructed that when the water is at a certain height it will flow over said gates in its proper channel the same as if there were no dam placed there.

Yours Very Respectfully
