ELWELL & HIGGINS' ADDITIONS
TO MINNEAPOLIS.
732 BOSTON BLOCK.

MINNEAPOLIS, MINN., *Feb 4th* 1889

G. W. Putnam Auditor

Dear Sir

Your notice
in regard to ditching came duly to hand
and has been considered. I am
in favor of all ditching and road
work that can be done and believe
that for every dollar expended with
out waste in that direction will
be worth five to the property owners
and will greatly increase the
revenue to the County in the near
future

Yours very Respt
Jas. Elwell
