Filed March 3<sup>d</sup> 1884

C. M. Putnam

County Auditor.

## State of Minnesota,

County of *Anoka*

} ss.

**Whereas**, At a session of the Board of County Commissioners of the County of

*Anoka*

State of Minnesota, held

*September 23<sup>d</sup>*

1893, a petition signed by

*H. R. McLean, Daniel J. Quen,**Geo. V. Ellwell, John H. Hughes, W. L. Lewis, H. Hughes*

land owners, whose lands were liable to be affected by, or assessed for, the expense of the construc-

tion of the work proposed therein, praying for the establishment and construction of a public

*Sitek*

along a route described therein, accompanied by a bond duly

approved, as provided by law, was filed with the County Auditor of said County; and it appearing by proper evidence to the satisfaction of said Board of County Commissioners that at least thirty (30)

days' notice has been given of the pendency of said petition and of the time at which the same would

be heard, as by law provided, whereupon the said Board did, at its session on the 18<sup>th</sup>day of *November* A. D. 1893, proceed to hear and determine said petition;

and said Board having determined that the construction of such ditch would be of public benefit or utility, or conducive to the public health, convenience or welfare, we did accept said petition, and thereupon did appoint, as viewers of said proposed work, three (3) resident freeholders of said

*Anoka*

County, who are not interested in the construction of said

proposed work, and are not of kin to any of the parties interested therein, and directed them to meet, preparatory to commencing their duties as such viewers, at *the Court House of this*

in said County, at 11 o'clock A. M., on the 20<sup>th</sup>

day of

*December*

1893; and it appearing to the satisfaction of said Board

that certified copies of the said petition and order of said Board appointing them as said viewers was issued to and served upon said viewers, as by law provided, they proceeded, at the time set in said order, with a surveyor who is a civil engineer, and made an accurate survey of the line of said

*Sitek*

from its source to its outlet, and did cause stakes to be placed

along said line at each 100 feet, as numbered progressing down stream from its source, and made and filed a report thereof; and reported that said *Sitek* would be of

public utility; and in their said report made the necessary computations and assessments, description of location, the land through which the same would pass, the names of the owners, and the damages or allowances thereto, the expense attending such work, and all the estimates, as required by law, duly sworn to as by law required.

And the Auditor of said

*Anoka*

County did, after the filing of

said report, cause a notice to be given, to be published, posted and mailed, as by law provided, of the pendency of said petition and of the time and place set for the hearing thereof;

**Now, Therefore**, We, the Board of County Commissioners of said County of

*Anoka*

having met in session at the time set for the hearing of

said petition, to-wit, the 3<sup>d</sup>

day of

*March*,

1894,

and adjourned to the

day of

189

and proceeded to hear the same, and having found that the report of said viewers is made according

to the provisions of law, and that the proposed Ditch <sup>will</sup> be of public utility, or conducive to public health, or of public benefit and convenience, and, from the evidence before us, that the estimated benefits of said work is greater than its total cost, including damages awarded, do hereby locate and establish the said Ditch according to the report of said viewers appointed and acting as aforesaid.

A general description, starting point, route and terminus of said proposed Ditch is as follows: Commencing at the North East corner of the North West Quarter (NW<sup>1/4</sup>) of the South West Quarter (SW<sup>1/4</sup>) of section number thirty two (32) in Township number thirty two (32) and Range number thirty two (32); thence South westerly across said section number thirty two (32) to section number five (5) in Township number thirty one (31) and Range number thirty two (32); thence westerly and westerly bearing said section number five (5) to section number six (6) in said town and Range; thence westerly and westerly across said section number six (6) to section number seven (7) in said town and Range; thence southerly across said section number seven (7) to the North East (N. E.) corner of the South West Quarter (SW<sup>1/4</sup>) of the South East Quarter (SE<sup>1/4</sup>) of said section number seven (7); thence southerly westerly intersect the county ditch bearing westerly and section seven (7) up & down as ditch No. 10 and thence terminating at its outlet.

The computations, assessments and allotments, the amount of benefits and damages assessed to each tract of land, and the owners' names, are as follows:
