

This memorandum of agreement, made and entered into this 16th day of June, 1905, by and between C.D. Tutthill, party of the first part, and Board of County Commissioners of Anoka County, Minnesota, party of the second part (by C.A. Nelson, its committee) witnesseth, that the said party of the first part, in consideration of the payments to be made by the party of the second part, as hereinafter stated, hereby promises, covenants and agrees, to and with second party, to forthwith commence work upon, and on or before Oct. 1st, 1905, in a good and workmanlike manner complete, to the satisfaction of the party of the second part, the opening, widening, deepening and repairing of County Ditch No. 23, of Anoka County, for the whole length thereof, same to be three feet deeper than the original level established by the original survey, from the lake for about eighty rods down the ditch, balance of the way to the original level, same at all points to be at least three feet wide on the bottom, slope one to one, and burn of not less than two feet;

Job to be done in good shape, to the end that permanent results may be obtained, and that said lake and low lands may be drained;

And in consideration of the faithful and full performance by first party of his part of this agreement, to the acceptance and satisfaction of second party, second party promises and agrees to pay first party, as and for the full consideration thereof, on completion of said work and acceptance by second party, in the usual course of business, the sum of thirty five cents per rod for each rod below the eighty rods or thereabouts where it is necessary to dig three feet deeper than the original survey, and seventy five cents per rod for the eighty rods or thereabouts where the ditch is necessarily dug three feet deeper than the original level.

In testimony whereof the first party has hereunto set his hand and seal, and second party has executed these presents by its committee, C.A. Nelson, the day and year first hereinbefore written. In presence of

 (seal)

Board of County Commissioners of

Anoka County,

By

Its committee.

Memorandum of understanding of the above contract made 9/29/06. An inspection of the work that ditch should be two feet deeper at lake than at present, in order to drain lake - accordingly Tutthill agrees to begin new dredge in standing now and carry full to lake, as set ditch. Standing now two feet deeper at lake than at present - all work done and workmanlike manner - for which he shall receive the sum of \$182.30. No estimate to be \$182.30
