In the matter of the Petition of J. L. Fitch
and others for repairs of County Ditch No. 25, Anoka County, Minn.
To the Board of County Commissioners of the County of Anoka;

I the undersigned Engineer appointed by your board to survey the route of County Ditch No. 25, would respectfully report that I have made a complete survey of the main ditch and branch as petitioned.

I did further cause to be made in tabular form a statement showing the depth of cut, the width of bottom, width at top, the number of cubic yards in the old ditch, and the number of cubic yards to be excavated between each one hundred foot stake, the cost of excavating same per cubic yard, the total number, estimated, of cubic yards to be excavated, the total estimated cost of said work complete to its completion; which tabular statement is hereto attached and marked exhibit "2".

I did further cause to be set forth in tabular statement, showing the time occupied by me in making said survey and my compensation therefor; the names of the assistants and laborers employed in making said survey; the time each was employed, the amount per day of each and their compensation, and the total amount each is to be paid; and the other expenses of every kind and nature incurred by me in making said survey, and the amounts thereof; which statement is hereto attached and marked exhibit "3".

I did cause to be prepared a form of contract under which the work of construction of repairs of said Public ditch and its branch is to be done, with complete specifications of the manner in which work of said construction is to be done attached thereto, which said form of contract and specifications is hereto attached and marked exhibit "4".
