Fitch and others, bearing date the 15th day of July, 1915, a true copy of which follows below, praying for the repairs of County Ditch No. 25, has been filed in my office: Now, therefore, Notice of the pendency of said petition is hereby given and that the same will be heard and considered by and before the Board of County Commissioners of Anoka County at its special session to be held at the auditor's office in the City of Anoka, county aforesaid, on Tuesday the 31st day of August, A. ARTHUR A. CASWELL, Auditor of Anoka County, Minn. COPY OF PETITION.

To the County Board of Anoka County, Minnesota: The undersigned petitioners respectfully represent and state: That they are the owners of lands that have been heretofore assessed for the construction of County Ditch No. 25 of Anoka County: That said ditch is in need of repairs and that its usefulness for the purpose for which it was constructed has become greatly impaired by reason of the following facts: That said ditch has become obstructed by the deposit of sediment therein and by the growth of weeds and grasses upon and along the bottom, sides, banks and right of way thereof; that by reason of the construction of side and lateral ditches emptying into said ditch the volume of water to be taken care of by said county ditch No. 25 has been increased beyond the capacity thereof. Wherefore your petitioners pray that you will appoint a civil engineer to ascertain and report to you the necessity therefor, and the cost of making such repairs, and when such report is filed such other and further proceedings may be had as may be necessary for the repair of said ditch.

Dated at Centerville this 15th day of July, 1915. J. L. Fitch, E. H. Erickson, P. O. Seabloom, H. Anderson, Andrew P. Hanson, Chas. Asplund, John Hughes, H. Speiser, Albert Asplund, Oscar Asplund.

That the above-named persons and corporations are all of the non-resident owners of lands named in the viewers' report herein as affected by the construction of said ditch No. 25 whose addresses are known to deponent, or could be ascertained by inquiry at the County Treasurer's office of said County.
