State of Minnesota,

County of

Anoka

} ss.

Whereas, At a session of the Board of County Commissioners of the County of Anoka State of Minnesota, held Wch. 14, 1895, a petition signed by Joseph Jauer, P. Mollitor, John Miller, William Speiser and Albert Rehbin land owners, whose lands were liable to be affected by, or assessed for, the expense of the construction of the work proposed therein, praying for the establishment and construction of a public Ditch along a route described therein, accompanied by a bond duly approved, as provided by law, was filed with the County Auditor of said County; and it appearing by proper evidence to the satisfaction of said Board of County Commissioners that at least thirty (30) days' notice has been given of the pendency of said petition and of the time at which the same would be heard, as by law provided, whereupon the said Board did, at its session on the 14th day of March A. D. 1895, proceed to hear and determine said petition; and said Board having determined that the construction of such ditch would be of public benefit or utility, or conducive to the public health, convenience or welfare, we did accept said petition, and thereupon did appoint, as viewers of said proposed work, three (3) resident freeholders of said Anoka County, who are not interested in the construction of said proposed work, and are not of kin to any of the parties interested therein, and directed them to meet, preparatory to commencing their duties as such viewers, at the County Auditor's Office in the City of Anoka in said County, at 1 o'clock p.m. on the 18th day of March, 1895; and it appearing to the satisfaction of said Board that certified copies of the said petition and order of said Board appointing them as said viewers was issued to and served upon said viewers, as by law provided, they proceeded, at the time set in said order, with a surveyor who is a civil engineer, and made an accurate survey of the line of said Ditch from its source to its outlet, and did cause stakes to be placed along said line at each 100 feet, as numbered progressing down stream from its source, and made and filed a report thereof; and reported that said Ditch would be of public utility; and in their said report made the necessary computations and assessments, description of location, the land through which the same would pass, the names of the owners, and the damages or allowances thereto, the expense attending such work, and all the estimates, as required by law, duly sworn to as by law required.

And the Auditor of said Anoka County did, after the filing of said report, cause a notice to be given, to be published, posted and mailed, as by law provided, of the pendency of said petition and of the time and place set for the hearing thereof;

Now, Therefore, We, the Board of County Commissioners of said County of Anoka having met in session at the time set for the hearing of said petition, to-wit, the 18th day of July, 1895, and adjourned to the \_\_\_\_\_ day of \_\_\_\_\_, 188\_\_\_\_, and proceeded to hear the same, and having found that the report of said viewers is made according

to the provisions of law, and that the proposed Sitch <sup>is</sup> to be of public utility, or conducive to public health, or of public benefit and convenience, and, from the evidence before us, that the estimated benefits of said work is greater than its total cost, including damages awarded, do hereby locate and establish the said Sitch according to the report of said viewers appointed and acting as aforesaid.

A general description, starting point, route and terminus of said proposed Sitch is as follows: commencing at the  $\frac{1}{4}$  post next north of the South  $\frac{1}{4}$  post of section Thirty two (32) Town Thirty one (31) Range Twenty two (22), thence running easterly and north easterly through said sections Thirty two (32) Thirty three (33) Twenty eight (28), Twenty one (21) and Twenty two (22) said Town and Range and terminating in Centerville Lake (so called) at or near the center of the shore line of lot 3 in said section No. Twenty two (22) as its outlet.

Also a Branch commencing in the center of the North West quarter (NW $\frac{1}{4}$ ) of sec. Thirty four (34) of said Town and Range; thence running South westerly and westerly through said section No. Thirty four (34) and East half of section thirty three (33) to connect with main line above described in the NW $\frac{1}{4}$  of said section thirty three (33).

The computations, assessments and allotments, the amount of benefits and damages assessed to each tract of land, and the owners' names, are as follows: in Town 31 Range 22
