Mr. J. George Dean

Dear Sir:

This is to advise you that the viewers for Ditch No. 27 came to the office today and were sworn in. They are apparently ready to go to work at any time and if you will let me know the day you will be able to meet with them I will be pleased to forward the information to them.

I was under the impression that I had written you stating the time when the viewers would be in to take the oath but apparently this letter was never written. I regret the oversight as I believe you planned on being here the day the viewers had their first meeting.

Yours very truly,

EAC/gs
