

J. B. HIMSL, JUDGE  
JACOB A. LAHR, CLERK

# PROBATE COURT

Stearns County, Minnesota

St. Cloud, Minnesota, May 24th. 1917.

Chairman of the county board,  
Anoka County, Minn.

Dear Sir: Mr. J.D. Auer who has land adjoining County Ditch No29 which was established in 1893, has requested me to write to you asking you to kindly notify, the other owners adjoining said Ditch to repair, and clean the same, as it has been closed up in some lands used as pastures, that unless the same is cleaned so as to perform the purpose for which it was originally constructed, a petition will be presented to the Board asking for the cleaning and repairing, which will cost considerably more than if they voluntarily clean, and it will be saving money for all,

Thanking you in advance I am Truly Yours,

*J. B. Himsl*
