## In the Matter of the Petition

of Hung a Rparks and Others
for a Ditch in the County of Anaka
State of Minnesota.
To the Board of County Commissioners of the County of Aurulea
State of Minnesota:
The undersigned viewers, appointed by your order bearing date the Account
day of January 1889, to view the route proposed in the petition of Juny & Sparks - WM a muwald
Istillutian John Sors and others -
for a public Turn
would respectfully report that we met at the time and place specified in your said order, preparatory
to commencing our duties as such viewers, and, provided with a surveyor who was a civil engineer,
made an accurate survey of the line of said proposed. Ditt
from its source to its outlet, and caused stakes to be set along said line, numbered progressively down
stream at each 100 feet, and have caused a plat of said survey of said proposed ditch to be made, which plat is made a part of this report and attached hereto, marked Plat of Sparks Ditch Quel Profile of Opanks Ditch
And we did make a computation of the number of cubic yards of earth to be excavated and removed
from said ditchbetween each of the 100 foot stakes, and the
estimated cost per cubic yard for the removal thereof, and did sum up the total number of cubic
yards to be excavated and removed from the entire length of said ditch
and an estimate of the total cost of laying out, establishing and
construction of the whole work. And we did cause the same to be prepared in tabular form, also
giving the depth of cut, width at the bottom and width at the top, at the source, outlet and each one
hundred foot stake of said. Ditah
a part of this report and hereto attached, marked Exhibit no 1 Sparles
And we did, as by law required, specify the time and manner in which said work shall be done, and
(in case of underground work) did specify the size and kind of tile to be used, or other material
necessary in such underground work, and did estimate the cost of the same as a part of the total
cost of said work, which statement and specifications and estimates are made a part of this report
and hereto attached, marked Estimate of Cosh Sparks Dilth Which is also a part of Exhibit no!
And we did cause to be made a statement of the names of the laborers, and the time each was
employed by us, and every other item of expense by us incurred in and about said work, which
