In the Matter of the Petition

of *Wm. A. Hansen*

and Others

for a Ditch
State of Minnesota.

in the County of *Carver*

To the Board of County Commissioners of the County of *Carver*

State of Minnesota:

The undersigned viewers, appointed by your order bearing date the

12th

day of *March*

1898

to view the route proposed in the petition of

Carl Hans Hansen

for a public

DITCH

would respectfully report that we met at the time and place specified in your said order, preparatory to commencing our duties as such viewers, and, provided with a surveyor who was a civil engineer, made an accurate survey of the line of said proposed *DITCH*

from its source to its outlet, and caused stakes to be set along said line, numbered progressively down stream at each 100 feet, and have caused a plat of said survey of said proposed ditch to be made, which plat is made a part of this report and attached hereto, marked *Map of Hansen Ditch No 31 Carver Co Minn*

And we did make a computation of the number of cubic yards of earth to be excavated and removed from said ditch. *Carl Hans Hansen* between each of the 100 foot stakes, and the estimated cost per cubic yard for the removal thereof, and did sum up the total number of cubic yards to be excavated and removed from the entire length of said ditch. *Carl Hans Hansen*

and an estimate of the total cost of laying out, establishing and construction of the whole work. And we did cause the same to be prepared in tabular form, also giving the depth of cut, width at the bottom and width at the top, at the source, outlet and each one hundred foot stake of said *Ditch Hansen* which tabulated statement is made a part of this report and hereto attached, marked *Table 1 Hansen Report Ditch No 31*

And we did, as by law required, specify the time and manner in which said work shall be done, and (in case of underground work) did specify the size and kind of tile to be used, or other material necessary in such underground work, and did estimate the cost of the same as a part of the total cost of said work, which statements and specifications and estimates are made a part of this report and hereto attached, marked *Table No 2 Hansen Report Ditch No 31*

And we did cause to be made a statement of the names of the laborers, and the time each was employed by us, and every other item of expense by us incurred in and about said work, which

statement is made a part of this report and hereto attached, marked
Nunn Report Bill 31 Exhibit 3

And we did cause to be prepared, in tabular form, a statement showing the names of the owners of each tract of land to be benefited or damaged, the description of each tract benefited or damaged (said names of owners and descriptions being the same as appear on the County tax duplicates of said County), and the total number of acres in each of said tracts, the estimated number of acres in each of said tracts of land to be benefited or damaged (as the case may be), and the amount that each tract of land will be benefited or damaged by the construction of said work, which said statement is hereby made a part of this report and attached hereto, marked Exhibit 40 Nunn Report Bill 31

And (in case said ditch branches drains, either in whole or in part, any public or corporate road or railroad, or benefits any of said roads) we did estimate the benefits arising therefrom to the same within which there be and that are charged by land bills to the construction of same

and did report said benefits, names of roads, and amounts of benefits to each, as a part of our tabulated statement last above set forth:

And ~~we~~ do hereby report the total estimated benefits of said Bill Branch to be \$2113⁰⁰ and the total estimated cost and expense of construction of Bill Branch including the damages awarded therefor, to be \$1052⁸⁶ and that the utility of said proposed Bill Branch

is greater than the estimated expense of the construction of such Bill Branch including the damages awarded therefor. The good upon which the County desires by main ditch Branch to obtain for that in order to give lands around the full benefit as promised by laws that the other branches are necessary and have accordingly when lands Branch no 2 & 3 ad same on plot estimate it include three branches

and we do hereby report that the said proposed Bill Branch will be of public utility. and confer and contain the public health minimum Bill Nunn

H. C. Pollan one of the Nunn applicants took part in all the proceedings up to the time preparation of the Report but as at this time confer & his work with Nunn witness which accounts for his failure to sign this Report
