In the Matter of the Petition of Michael )  
Galagher, and others, for repairs of )  
County Ditch No. 32, in the County of )  
Anoka, State of Minnesota. )

To the County Board of the County of Anoka, State of Minnesota:

The undersigned, being interested in the proposed repairs of County Ditch No. 32 in said County and State, as ordered and established by you under your order bearing date the 26th day of October, 1915, and being aggrieved by the action of the County Board above named, would appeal from the action of said Board in said matter.

Therefore, you will take notice that the undersigned appeals to the District Court of Anoka County, State of Minnesota, from the action of the County Board in said matter of ordering and establishing the repairs of said ditch and confirming the reports of the Engineer and viewers upon the same. The grounds upon which said appeal is made are as follows:

- (1) That the amount of benefits to the undersigned on account of the repairs of said ditch is greatly in excess of the actual benefit to the land owned by him.
- (2) That said order of said County Board failed to allow any damages to the undersigned on account of the said repairs of said ditch, and that in fact said repairs of said ditch will be of great actual damage to the land owned by the undersigned.
