

In the matter of the petition of A. Bergerson and others

for Repairs County Ditch No. 35, Anoka County, Minnesota.

To the Board of County Commissioners of the County of Anoka:

I, the undersigned Engineer, appointed by your board to survey the route of County Ditch No. 35, would respectfully report that I have made a complete survey of the Main Ditch as petitioned.

I did further cause to be made in tabular form a statement showing the depth of cut, the width at the bottom, width at the top, the number of cubic yards in the old ditch and the number of cubic yards to be excavated between each one hundred (100) foot stakes, the cost of excavating same per cubic yard, the total estimated number of cubic yards to be excavated, the total estimated cost of said work complete to its completion, which tabular statement is hereto attached and marked exhibit "2".

I did further cause to be set forth in tabular statement, showing the time occupied by me in making said survey and my compensation therefor; the names of the assistants and laborers, employed in making said survey; the time each was employed, the amount per day of each and their compensation, and the total amount each is to be paid; and the other expenses of every kind and nature incurred by me in making said survey, and the amounts thereof; which statement is hereto attached and marked exhibit "3".

I have prepared two estimates of cost, Plan No. 1 estimated at ~~\$5894.29~~ and Plan No. 2 estimated at ~~\$3959.29~~ . Plan No. 1 will give a deeper and wider ditch than Plan No. 2.

I did cause to be prepared a form of contract under which the work of construction of repairs of said Public Ditch and its branches is to be done, with complete specifications of the manner in which work of said construction is to be done attached thereto, which said form of contract and specifications is hereto attached and marked exhibit "4".

Wayne L. Ridge
Engineer Repairs Ditch No. 35.

Anoka, Minnesota,
January 25th, 1917.
