Mr. Arthur Caswell County Auditor.
Anoka Minn.

Dear Sir: Read your notice about ditch No. 35 Anoka.
Should like to see ditch repaired as I have \pm 80 acres on
upper part of ditch. I think it needs it bad for all
land surrounding. Should come up personally but
as I'm alone with wife and babies, its impossible, but
sure would like to see ditch repaired.

Hoping you will have good success, I am
yours truly

Description of my land

R. E. Storer

The South West quarter of the North east quarter and the South
east quarter of the North West quarter of Section three,
Township Thirty-two Range Twenty-two, containing 80 acres
of land.

On account of ditch not working, my land was not
worth anything last summer.
