COPY OF PETITION.

To the County Board of the County of Anoka, Minnesota:

The undersigned petitioners respectfully represent and state: That they are the owners of lands that have heretofore been assessed for the construction of Ditch Number Thirty-Eight of Anoka County; that said ditch is in need of repairs, and that its usefulness for the purposes for which it was constructed has become greatly impaired by reason of the following facts:

First—That said ditch has become obstructed by the deposit of sediment therein and by the growth of weeds and grasses upon and along the bottom, sides, bank and right of way thereof;

persons and corporations at the following named addresses:
August Anderson, Joseph Cogger, John Newlander, S. B. Standal and Mrs. Malm Standal, Cedar, Route 2; John Holmquist, and E. J. Lindstrom, Wyoming, Route 2; Oshkosh Grass Matting Co., Oshkosh, Wisc.; and Matilda Veva, Anoka, Minn.

Second—That by reason of pasturage and the cultivation of land along its banks, many places in said ditch are almost entirely filled;

Third—That to secure full benefits from the ditch, many places in the ditch will require opening, widening and deepening.

Wherefore, your petitioners pray that you will appoint a civil engineer to ascertain and report to you the necessity therefor, and the cost of making such repairs, and when such report is filed, such other and further proceedings may be had as may be necessary for the repair of such ditch, and the opening, widening and deepening of the same as may appear necessary.

Dated at Bethel, Anoka County, Minnesota, this 1st day of April, A. D. 1916.
AUGUST ANDERSON,
E. J. LINDSTROM,
MRS. MALM STANDAL,
JOSEPH COGGER.

That the above-named persons and corporations are all of the ~~XXXXXX~~ owners of lands named in the viewers' report herein as affected by the construction of said ditch repairs

whose addresses are known to deponent, or could be ascertained by inquiry at the County Treasurer's office of said County.
