State of Minnesota,

County of Anoka } ss.

SHERRIS, At a session of the Board of County Commissioners of the County of Anoka State of Minnesota, held on the 16th day of April 1880, a petition signed by August Hornquist Deer and others

land owners, whose lands were liable to be affected by, or assessed for, the expense of the construction of the work proposed therein, praying for the establishment and construction of a public Ditch along a route described therein, accompanied by a bond duly

approved, as provided by law, was filed with the County Auditor of said County; and it appearing by proper evidence to the satisfaction of said Board of County Commissioners that at least thirty (30) days' notice has been given of the pendency of said petition and of the time at which the same would be heard, as by law provided, whereupon the said Board did, at its session on the 16th

day of April A. D. 1880, proceed to hear and determine said petition; and said Board having determined that the construction of such ditch would be of public benefit or utility, or conducive to the public health, convenience or welfare, we did accept said petition, and thereupon did appoint, as viewers of said proposed work, three (3) resident freeholders of said

Anoka County, who are not interested in the construction of said proposed work, and are not of kin to any of the parties interested therein, and directed them to meet, preparatory to commencing their duties as such viewers, at the Auditor's Office in said County, at 10 O'clock A.M. on the 28th day of

April 1880; and it appearing to the satisfaction of said Board that certified copies of the said petition and order of said Board appointing them as said viewers was issued to and served upon said viewers, as by law provided, at the time set in said order, with a surveyor who is a civil engineer, and made an accurate survey of the line of said Ditch from its source to its outlet, and did cause stakes to be placed along said line at each 100 feet, as numbered progressing down stream from its source, and made and filed a report thereof; and reported that said Ditch would be of public utility; and in their said report made the necessary computations and assessments, description of location, the land through which the same would pass, the names of the owners, and the damages or allowances thereto, the expense attending such work, and all the estimates, as required by law, duly sworn to as by law required.

And the Auditor of said Anoka County did, after the filing of said report, cause a notice to be given, to be published, posted and mailed, as by law provided, of the pendency of said petition and of the time and place set for the hearing thereof;

Now, Therefore, We, the Board of County Commissioners of said County of Anoka having met in session at the time set for the hearing of said petition, to-wit, the 22nd day of September 1880, and adjourned to the 188 day of ----- 188--- and proceeded to hear the same, and having found that the report of said viewers is made according

to the provisions of law, and that the proposed Ditch to be of public utility, or conducive to public health, or of public benefit and convenience, and, from the evidence before us, that the estimated benefits of said work is greater than its total cost, including damages awarded, do hereby locate and establish the said Ditch according to the report of said viewers appointed and acting as aforesaid.

A general description, starting point, route and terminus of said proposed Ditch is as follows: Commencing at a point on the East line of the Northwest quarter of the North West quarter of Section Thirty four Township Thirtysix Range Sixty three and running Northwesterly through section twenty eight to a point on near the West line of the Northwest quarter of the Northwest quarter of said section Twenty eight Township Thirtysix Range Sixty three and thence terminating in Westwood Suburb (so-called) also any expense that may be deemed necessary.

The computations, assessments and allotments, the amount of benefits and damages assessed to
