In the Matter of the Petition

of Henry Lee and Others
for a Public Ditch in the County of Strober
State of Minnesota.

To the Board of County Commissioners of the County of Strober
State of Minnesota:

The undersigned Civil Engineer, appointed by your order bearing date the 2nd
day of June 1902, to view the route proposed in the petition of
Henry Lee and others
for a public ditch in the Town of Blaine

would respectfully report that at the time specified in your said order, he made an accurate survey of
the line of said proposed Public Ditch from its source to its outlet,
and caused stakes to be set along said line, numbered progressively down stream at each 100 feet, and
caused a plat of said survey of said proposed ditch to be made, showing among other things a
complete description of the lands over which said ditch is surveyed, which plat is made a part of this
report and attached hereto, marked Exhibit A.

And did make a computation of the number of cubic yards of earth to be excavated and removed
from said ditch between each of the 100 foot stakes, and the
estimated cost per cubic yard for the removal thereof, and did sum up the total number of cubic yards
to be excavated and removed from the entire length of said ditch. and an estimate of the total cost of laying out, establishing and
construction of the whole work. And did cause the same to be prepared in tabular form, also giving
the depth of cut, width at the bottom and width at the top, at the source, outlet and each one hun-
dred foot stake of said Ditch which tabulated statement is made
a part of this report and hereto attached, marked Exhibit No. 1 Ditch
No. 39.

And did, as by law required, specify the time and manner in which said work shall be done, and
(in case of underground work) did specify the size and kind of tile to be used, or other material
necessary in such underground work, and did estimate the cost of the same as a part of the total cost
of said work, which statement and specifications and estimates are made a part of this report and
hereto attached, marked Exhibit 2 Ditch No. 39

And did cause to be made a statement of the names of the laborers, and the time each was employed
by him, and every other item of expense by him incurred in and about said work, which statement is
