DRAINAGE BLANK.

IN THE MATTER OF THE PETITION OF

John Johnson
AND OTHERS.

VIEWERS' REPORT.

Filed *April 12* 188*9*.

U. W. Putnam
County Auditor.

No. 675.—Pioneer Press Co., Printers, St. Paul, Minn.

Filed April 12 1889
U. W. Putnam
County Auditor

In the Matter of the Petition

Of John Johnson and Others
for a Ditch in the County of Anoka
State of Minnesota.

To the Board of County Commissioners of the County of Anoka
State of Minnesota:

The undersigned viewers, appointed by your order bearing date the 4th
day of March 1889, to view the route proposed in the petition of
Said John Johnson and others
for a public Ditch

would respectfully report that we met at the time and place specified in your said order, preparatory
to commencing our duties as such viewers, and, provided with a surveyor who was a civil engineer,
made an accurate survey of the line of said proposed Ditch

from its source to its outlet, and caused stakes to be set along said line, numbered progressively down
stream at each 100 feet, and have caused a plat of said survey of said proposed ditch to be made,
which plat is ^{and profile} a part of this report and attached hereto, marked Plat Exhibit "a"
and Profile Exhibit "a" John Johnson Ditch

And we did make a computation of the number of cubic yards of earth to be excavated and removed
from said ditch _____ between each of the 100 foot stakes, and the
estimated cost per cubic yard for the removal thereof, and did sum up the total number of cubic
yards to be excavated and removed from the entire length of said ditch _____

_____ and an estimate of the total cost of laying out, establishing and
construction of the whole work. And we did cause the same to be prepared in tabular form, also
giving the depth of cut, width at the bottom and width at the top, at the source, outlet and each one
hundred foot stake of said Ditch which tabulated statement is made
a part of this report and hereto attached, marked Exhibit 1 _____

And we did, as by law required, specify the time and manner in which said work shall be done, and
(in case of underground work) did specify the size and kind of tile to be used, or other material
necessary in such underground work, and did estimate the cost of the same as a part of the total
cost of said work, which statement and specifications and estimates are made a part of this report
and hereto attached, marked Exhibit 2 _____

And we did cause to be made a statement of the names of the laborers, and the time each was
employed by us, and every other item of expense by us incurred in and about said work, which
