Notice of Pendency of Petition.

Notice is hereby given that a petition, of which the following is a copy, has been filed in the office of the County Auditor of Anoka County, Minnesota, and that a hearing will be had upon said petition at the office of the County Auditor by the Board of Commissioners on the 25th day of February, 1916, at 2:30 o'clock p. m.

ARTHUR A. CASWELL,
Auditor of Anoka County, Minn.
PETITION.

To the County Board of the County of Anoka, Minnesota:

The undersigned petitioners respectively represent and state:

That they are the owners of lands that have been heretofore assessed for the construction of County Ditch No. 41 of Anoka County.

That the said ditch is in need of repairs and that its usefulness for the purpose for which it was constructed has become greatly impaired by reason of the following facts:

First—That said ditch has become obstructed by the deposit of sediment therein and by the growth of weeds and grasses upon and along the bottom, sides, banks and right of way thereof.

Second—That by reason of the construction of side and lateral ditches emptying into said ditch the volume of water to be taken care of by said County Ditch No. 41 has been increased beyond the capacity thereof.

Third—That the capacity of said ditch to take care of said additional waters should be increased from the point where the lateral ditch enters the main ditch near the east line of the northeast quarter of section seventeen in township thirty-one of range twenty-three, being the Town of Blaine, in said Anoka County, to the outlet of said ditch.

Wherefore, your petitioners pray that you will appoint a civil engineer to ascertain and report to you the necessity therefor, and the cost of making such repairs, and when such report is filed such other and further proceedings may be had as necessary for the repair of such ditch.

Dated at the Town of Blaine this 10th day of December, 1915.
