

May 10, 1948

It was moved by Commissioner Peterson and seconded by Commissioner Ramsden that we accept the resignation of R. G. Streetley as Engineer on Ditch No. 41 and that Wayne Ridge be appointed to fill the vacancy. Motion carried.

May 13, 1948

R. G. Streetley having determined that it will be possible for him to complete the engineering work on Ditch No. 41, it was moved by Commissioner Ramsden and seconded by Commissioner Peterson that the resolution passed on May 10, 1948 accepting the resignation of R. G. Streetley as Engineer on Ditch No. 41 and appointing Wayne Ridge to complete the work be rescinded. Motion carried.
