

March 10, 1947

It was moved by Commissioner Ramsden and seconded by Commissioner Peterson that the petition of property owners along Ditch No. 41 requesting the elimination of Branches 1 and 2 be accepted and that said application be made a part of the original petition. Motion carried.

It was moved by Commissioner Ward and seconded by Commissioner Ramsden that the Engineer's report as amended on Ditch No. 41 be accepted and that the Board finds that the repairs recommended in such report are necessary. Motion carried.
