

COMMISSIONERS' PROCEEDINGS

Court House
Anoka, Minnesota
June 17, 1947

Meeting called to order at 1 o'clock P. M. with all members present.

The purpose of this meeting was for the consideration of the amended viewers's report in the matter of the Improvement of Ditch No. 41

~~Commissioner Ramsden~~ It was moved by Commissioner Ramsden and seconded by Commissioner Peterson that the viewers' report be accepted and approved. Motion carried.

Peterson

Commissioner ~~XXXX~~ offered the following resolution and moved its adoption which motion was seconded by Commissioner Ramsden:

The matter of the Improvement of Ditch No. 41 came on duly to be considered by the Board of County Commissioners, Anoka County, Minnesota on the 17th day of June, 1947, upon the petition of B. B. Nelson and others for the improvement of said drainage system and the report of the engineer appointed to examine the same and report thereon; and said Board, having examined said petition and said report and made due and necessary inquiry to determine the accuracy of the facts and recommendations set forth in said report of said engineer, finds as follows:

That said engineer has duly examined said drainage system and made and filed his report and recommendations, reference to which report is hereby made as a part hereof:

That the repairs to said drainage system set forth in said petition and recommended in said engineer's report are necessary to the proper maintenance, usefulness and purpose of said drainage system:

That all the repair and improvement of said drainage system that is necessary is that all of Ditch No. 41 needs cleaning out and repair and improvement so as to restore the same to its original condition and purpose, and enable said ditch to perform the functions for which it was originally constructed; that the estimated benefits are greater than the total ~~xxxx~~ estimated cost, including any damages, that benefits and damages have been duly determined, that the proposed improvement of this drainage system is practicable; that the improvement of the drainage system will be of public utility and benefit and will promote the public health, that the reports as made and amended are complete, just and correct.

IT IS THEREFORE ORDERED AS FOLLOWS:

That said petition be, and hereby, is granted; and that said drainage system be repaired according to the plans, specifications and recommendations of said engineer hereby made a part hereof.

That the County Auditor ~~of said county be, and hereby~~ and the Chairman of the County Board of said county be, and hereby are, authorized and directed to proceed according to law to advertise for bids and to let out contracts for the making of said repairs:
