Re: Public Access Hiawatha Beach, Coon Lake

Gentlemen:

Of the two lots mentioned at the last meeting viz:

Lot 5 Blk 5 Hiawatha Beach .

Lot 3 Blk 4 Hiawatha Beach

Lot 5 (In my humble estimation) is the most practical for ~~the~~
development as a public landing.

One of the two attached pictures was taken from the woods near the lake pointing towards the road and a sink hole of cat-tail swamp just beyond the man. The other picture is taken from the road pointing towards a small cut and the same low spot.

Very truly yours,

E. J. Lundheim
County Engineer
