Dear Sir:

Re: County Ditch No. 41
Anoka County

On June 18, 1947, we wrote you requesting information as to what action was taken by the County Board on County Ditch No. 41. The final hearing on this ditch was held in your office on June 11.

It is requested that you advise what action was taken by the Board as to the establishment of this ditch, particularly as to whether or not the viewers' report shows any benefits or damages sustained by the Department of Highways.

Yours very truly,
