Dear Sir:

Regarding bond covering expenses pertaining to Ditch No. 41, I find that the \$500.00 bond is going to be insufficient to cover the cost and under the law petitioner is required to furnish such additional bond as may be required. To avoid any delay in the proceedings, will you kindly have a bond prepared in the amount of \$1500.00 and forward same to me as promptly as possible.

The Board plans on appointing viewers on November 12th but cannot do so until the required bond has been filed.

Yours very truly,

EAC/gs
