TO THE BOARD OF COUNTY COMMISSIONERS OF ANOKA COUNTY, MINNESOTA:

We, the undersigned, property owners abutting on, and being served by County Ditch No. 41, respectfully petition your honorable body to cause said ditch to be deepened and widened from its beginning to its end, or so much thereof as may be necessary, in order to properly drain the territory served by said ditch.

During the dry years, dust and other accumulations have practically filled the ditch, and willow trees are grown therein, stopping the flowage of water to such an extent that the basements in some of the houses located on the farms at or near the ditch are under water.

Your early attention to this matter will be greatly appreciated.
