State of Minnesota,
County of Anoka,

District Court,
Fifteenth Judicial District.

In the matter of the petition of Gustaf Borg
and others to appraise and estimate the damage
done to their lands by reason of the establishment
and construction of Ditch Number 41, of Anoka County,
Minnesota.

You and each of you will please take notice and notice is here-
with served upon you that the petitioners, Gustaf Borg and J.A. Sorveberg,
and each of them appeal to the District Court of Anoka County, Minnesota,
from the award and decision of the viewers appointed by the Board of
County Commissioners in the above entitled matter, made and filed with the
County Auditor of said County on the 2nd day of July, 1908, wherein and
whereby the said Gustaf Borg was awarded \$10.00 as damages and the said
J.A. Sorveberg was awarded \$90.00 damages.

Said appeal is made on the following grounds, to-wit:-

FIRST. That the amount of damages allowed the said Gustaf Borg is in-
adequate, and does not compensate him for the damage occasioned to his
lands and that he has suffered damages in the amount and in the manner
as described in the petition herein; that the amount of damages allowed the
said J.A. Sorveberg is inadequate and does not compensate him for the damages
occasioned to his lands and that he has suffered damages in the amount and
in the manner as described in the petition herein.

Second. That the amounts awarded by said Viewers as aforesaid are too small
and that said award is unjust, wrong and unlawful.
