**Auditor's Notice of Pendency of Ditch Petition.**

State of Minnesota, County of Anoka.

Whereas, the petition of John O. Stromberg and others, bearing date the 28th day of February, 1905, and on file in my office, praying for the establishment of a public ditch along the route proposed therein, has been filed in my office,

Now, therefore, notice is hereby given of the pendency of said petition, and that the same will be heard and determined before the said board of county commissioners, at their regular session to be held at the auditor's office in the court house in the city of Anoka, in said county on the 10th day of July, 1905 at 11 o'clock a. m.

A true copy of said petition is as follows, to-wit:

To the board of county commissioners of the county of Anoka, state of Minnesota: The undesignated land owners, whose lands will be liable to be affected by, or assessed for the expense of the construction of the ditch hereinafter described, would respectfully represent that the public health, convenience and welfare and the reclamation of wet and overflowed lands require the establishment and construction of a ditch along the following described route in the town of Burns in said county of Anoka, and that the construction of the same would be of public benefit and utility.

A general description of the proposed starting point, route and terminus of said ditch is as follows: Commencing at the outlet of Goose lake, so-called, near the section line between sections nine (9) and ten (10), town thirty-three (33), range twenty-five (25), and following in a general direction the course of said outlet and the brook flowing therefrom, known as Ford Brook, in a northerly and easterly direction across section ten, said town and range, through Pinnacle lake, so-called, and easterly and southerly across a portion of section eleven, said town and range, and terminating at the intersection of said water course with the east and west quarter line of said section eleven (11) in said Ford Brook as its outlet.

And your petitioners pray that you will proceed to establish such ditch, together with such branches as may be proper and cause the same to be constructed as provided by Chapter Two Hundred and thirty-eight (238) of the General laws of Minnesota for 1901, and subsequent amendments thereto.

Dated February 23th, 1905.
