Dear Sir:

I enclose herewith the final estimate of Arthur E. Morgan, Engineer on Ditch No. 42, in Anoka County, which calls for the sum of \$2233.67.

Ditch 42 has been completed and is now in very good shape. Mr. Morgan is very much pleased with the same.

Please send us Treasurers draft for same. If there is no money in the Treasury for that purpose, mail us a warrant for the amount, and oblige

Yours truly,
