To the Board of County Commissioners of the County of Carver
State of Minnesota:

The undersigned land owners, whose lands will be liable to be affected by, or assessed for the expense of, the construction of the ditch hereinafter described, would respectfully represent that the public health, convenience and welfare require the establishment and construction of a ditch along the following described route in the Town of Rosmar in said County of Rosmar Dusser

A general description of the proposed starting point, route and terminus of said ditch is as follows: Commencing at the most feasible point in the northmost quarter (NW 1/4) of section twenty three (23) in Township Thirtieth (Twp 32) and Range Twentieth (R 16 25).
