(First Pub. July 19, 1905.)

State of Minnesota, County of Anoka.

Whereas, the petition of A. E. Wellman and others, bearing date the 12th day of June, 1905, and on file in my office, praying for the establishment of a public ditch along the route proposed therein, has been filed in my office.

Now, therefore, notice is hereby given of the pendency of said petition, and that the same will be heard and determined before the said board of county commissioners, at a special session to be held at the auditor's office in the court house in the city of Anoka, in said county on Monday the 28th day of August, 1905, at 11 o'clock a. m.

A true copy of said petition is as follows, to-wit:  
To the board of county commissioners of the county of Anoka, state of Minnesota

The undersigned land owners, whose lands will be liable to be affected by or assessed for the expense of the construction of the ditch hereinafter described, would respectfully represent that the public health, convenience and welfare require the establishment and construction of a ditch along the following described route in the town of Ramsey in said county of Anoka; that the construction of the same would be of public benefit and utility, and is necessary for the following reasons, to-wit:

That a large amount of land is now overflowed and rendered unutilizable and unusable, which lands would be drained and improved and made usable and of much greater value, by the construction of the ditch herein petitioned for.

A general description of the proposed starting point, route and terminus of said ditch is as follows: Commencing at the most feasible point in the northwest quarter (NW $\frac{1}{4}$ ) of section twenty-three (23) in township thirty-two (32) and range twenty-five (25), thence running along the following route by the most feasible route southerly and southeasterly through said section twenty-three (23), through portions of sections twenty-six (26), twenty-five (25), and thirty-six (36), said town thirty-two (32) and range twenty-five (25), and terminating in said section thirty-six (36), in Rum river as its outlet, with the necessary and proper branch or branches.

And your petitioners pray that you will proceed to establish such ditch and branches and cause the same to be constructed as provided by chapter two hundred and thirty of the general laws of Minnesota for 1905

Dated June 12th, 1905.
