of August 1906.

Arthur Haswell

State of Minnesota,

County of Anoka,

Bohnereus, The petition of Hudson Guy

date the 19th day of July,

and others, bearing 1906, praying for the

establishment of a public ditch and branches along the route proposed therein, has been filed in my office,

Now, therefore, Notice is hereby given of the pendency of said petition, and that the same will be heard and considered by and before the Board of County Commissioners, at their

special session to be held at the court house in the city

of Anoka in said County, on the 30th day of

August, 1906, at 11 o'clock A.M.

A true copy of said petition is as follows, to wit:

To the Board of County Commissioners of the County of Anoka State of Minnesota:

The undersigned land owners, whose lands will be liable to be affected by, or assessed for the expense of, the construction of the public ditch and branches hereinafter described, would respectfully represent that the public health, convenience and welfare require the establishment and construction of a public ditch and branches

along the following described route in the Town of Oak Grove

in said County of Anoka and that the construction of the same would be of public benefit and utility; and is necessary for the following reasons, ~~xxxxx~~ among others, to-wit: That large areas of land along the course of the proposed ditch are now wet, overflowed and rendered useless for any purpose, which by the construction of the proposed ditch would be rendered productive and useful for farming and other purposes, and large quantities of stagnant water which now ~~xxxxx~~ constitute a menace to public health would be removed by said proposed ditch, ~~xxxxx~~ general description of the proposed starting point, route and terminus of said public ditch

is as follows:

Commencing at the lowest point in the marsh in the SW 1/4 of the NW 1/4 of section 36, thence running northerly across the NW 1/4 of the NW 1/4 of said section, and across the SW 1/4 of SE 1/4, Lot 3, Lot 4, and NW 1/4 of NW 1/4 of section 25, and across the SW 1/4 of SE 1/4 and the SE 1/4 of SW 1/4 and W 1/2 of SW 1/4 of section 24, all in township 33, and range 24, to Cedar Creek, ~~xxxxx~~

and terminating ~~xx~~ in said Cedar Creek as its outlet, together with such branch or branches as may be necessary and proper to render said ditch most useful and beneficial

And your petitioners pray that you will proceed to establish such public ditch and branch ~~of your power~~ ~~to pass the same to be constructed as provided by Chapter XXXV-1905 (44) of the Revised Laws of 1905, and acts supplementary thereto and amendatory thereof.~~
