State of Minnesota, }
County of Anoka, } s.s.

I, John E. Hill the Civil Engineer appointed by the Board of County Commissioners of the said County, to survey and superintend the work of constructing Ditch No. 46 in the said County of Anoka, do hereby certify that I have inspected the job of digging and constructing the sections in Ditch No. 46 of Anoka County Minnesota, numbered and described as follows: 1

Sections No. 87 to Section ... No. 118 the outletboth inclusive and also including the pipe and laying of the same through the "St; Paul Road ",

Amount of the Contract for these sections\$ 661.48

The above work was let to Joseph Leroux by the County Auditor of the said county and contracted to be done by him, and I do certify that the said sections as stated above area part of the said contract and are nearly completed according to contract, plans and specifications of the said engineer as set forth in the report of the said engineer, and I do respectfully recommend that a payment of Seventy Five per cent (75%) of the contract price be paid to the said Joseph Leroux as a partial payment on his contract with the said county of Anoka.

And I do certify that the said Joseph Leroux is entitled to the sum of Four Hundred and Ninty Six Dollars and Eleven Cents (\$496.11) as a partial payment on his contract for the constructing the above named sections and that the above sum is now due him from the General Ditch Fund of the said County.

No drawings will result to any persons by this
