

Ditch No. 46

# DRAINAGE BLANK.

PROOF OF POSTING AUDITOR'S NOTICE  
OF PENDENCY.

Filed in the office of the County Auditor  
of Anoka County,  
Minnesota, this 12<sup>th</sup> day  
of September A. D. 1906

Arthur A. Carville  
County Auditor.

State of Minnesota,  
County of Anoka.

In the Matter of the Petition

Of \_\_\_\_\_  
for a \_\_\_\_\_ public ditch \_\_\_\_\_  
State of Minnesota. \_\_\_\_\_  
and others,

County of Anoka, }  
State of Minnesota, } ss.

OFFICIAL.

Notice of Pendency of  
Ditch Petition.

State of Minnesota, } ss.  
County of Anoka, }  
Whereas, the petition of N. O. Rumbry and  
others, bearing date the 31st day of July,  
1906, praying for the establishment of a pub-  
lic ditch and branches along the proposed  
course therein, has been filed in my office.  
Now, therefore, notice is hereby given of  
the pendency of said petition, and by the  
same will be heard and considered by and  
before the Board of County Commissioners  
at their special session to be held at the  
court house in the city of Anoka, in said  
county, on the 15th day of October, 1906, at  
11 o'clock a. m.

A true copy of said petition is as follows,  
to-wit:  
To the Board of County Commissioners of  
the County of Anoka, State of Minnesota:  
The undersigned land owners, whose lands  
will be liable to be affected by, or assessed  
for the expense of, the construction of the  
public ditch and branches hereinafter de-  
scribed, would respectfully represent that  
the public health, convenience and welfare  
require the establishment and construction  
of a public ditch and branches along the fol-  
lowing described route in the Town of Co-  
lumbus in said county of Anoka, and that the  
construction of the same will be of public  
benefit and utility; and it is necessary for the  
following reasons, to-wit: That large acres of  
land along the course of the proposed ditch  
and branches are now well overgrown  
and rendered useless and of small value for  
farming or other purposes, which by the  
establishing of the construction of the pro-  
posed ditch and branches would be drained,  
improved and rendered useful and of great  
value for farming and other purposes, and  
the public health would be improved by the  
removal of large quantities of stagnant wa-  
ter along the course of the proposed ditch  
and branches.

A general description of the proposed  
starting point, route and terminus of said  
ditch is as follows:

Commencing at the lowest point in marsh  
near the center of the sec 24 of the ne 1/4 of  
section 16, township 32, range 22, thence run-  
ning along the following route, southwesterly  
across said sec 24 of the ne 1/4 of said sec-  
tion 16, and across corner of the sw 1/4  
of the ne 1/4 of said section 16, and  
southerly across the west half of the  
sec 1 of said section 16 and southeasterly  
across the northeast quarter of section 21,  
said town and range, and easterly across the  
northwest quarter of section 22, said town  
and range, to Columbus Lake, so-called, and  
through said Columbus Lake to its outlet,  
and following generally the course of the  
outlet creek of said Columbus Lake, to Rice  
Creek in section twenty-three, said town and  
range, and terminating in said Rice Creek  
in said section as its outlet. Also such  
branch or branches as may be necessary and  
proper to render said ditch most useful  
and beneficial.

John Koch,  
Fred M. Minkenheim,  
Anton Boyer,  
Mrs. M. Scholtz,  
Joe Wittman,  
C. B. Shaker,  
Petitioners.
