

COUNTY OF ANOKA

Office of the County Board of Commissioners

COURT HOUSE --- 421-4760 --- ANOKA, MINNESOTA 55303

April 1, 1975

MEMO TO: Rolland Anderson

FROM: Robert C. Burman

Walter Prachar talked to me when we had senior citizen days in Centerville regarding a branch from County Ditch #47. He believes that the County did vacate this branch from the County Ditch System approximately 14 years ago. He apparently does not want this to be part of the ditch system under the Rice Creek Watershed Board of Managers. Could you investigate this matter and report back to me at your convenience.
