(First Pub. Nov. 17, 1908.)
NOTICE TO DRAINAGE CONTRACTORS.

Notice is hereby given that on Wednesday, the 9th day of January, 1909, at 11 o'clock in the forenoon at the office of the county auditor in the court house in the city of Anoka, Anoka Co., Minn., the undersigned will sell the job of digging and constructing the main ditch and branches of that system of drainage ditches designated and known as County Ditch No. 49 of said Anoka county, established by the board of county commissioners of Anoka county by their order bearing date the 11th day of November, 1908; and bids are invited for the work as one job, also for one or more linear sections thereof, each of which sections is 100 feet long, and to be known and numbered by the stakes as shown by the report of the engineer in said matter, commencing at the one including the outlet of each of said main ditch and branches thereof, and from thence successively up stream to the one including the source of said main ditch and branches thereof.

Said work must be completed within the time required and in the manner specified in said engineer's report, and no bid will be entertained which exceeds 30 per cent over and above the estimated cost as stated in said engineer's report.

The successful bidder will be required to give a satisfactory bond in the penal sum of not less than contract price with not less than two freehold securities, payable to the county of Anoka, state of Minnesota, for the use of said county, and also for the use of all persons who may show themselves to be aggrieved or injured by any breach thereof or of the contract for which said bond is given; said bond shall be subject to the approval of the county auditor and conditioned that the contractor shall faithfully perform and fulfill his contract and pay all damages that may accrue by reason of his failure to complete the work in the manner and within the time required in the contract; and otherwise conditioned as by law provided.

The said order and engineer's report estimates and profile are on file and may be seen at the county auditor's office in the court house in the city of Anoka.

The estimated amount of work to be done and the estimated cost thereof is as follows:
