Dear Sir,

Your letter of the 25<sup>th</sup> enclosing order on County Auditor at hand, but as I was not known in this Contract (Mr. Hankinson took this job in his own name before we entered in Partnership) I can not legally sign Mr. Hankinson's name and therefore have forwarded it to him for signature, and you no doubt will hear from him shortly. I will say however that I believe you are perfectly sove to make the necessary arrangements for this work on the same terms as I have no doubt as to Mr. Hankinson's promptness in signing and returning the order to you at once.

Yours truly  
John Sanderson
