NOTICE OF PENDENCY OF DITCH PETITION.
State of Minnesota, County of Anoka—
Whereas, the petition of M. C. Blanchett and others, bearing date the 29th day of October, 1907, praying for the establishment of a public county ditch along the route proposed therein, has been filed in my office now, therefore, notice is hereby given of the pendency of said petition and that the same will be heard and considered by and before the board of county commissioners at their special session to be held at the auditor's office in the city of Anoka in said county commencing on the 3rd day of December, 1907, at 11 o'clock a. m.

ARTHUR A. CASWELL,
County Auditor.

A true copy of said petition is as follows,
to-wit:

To the Board of County Commissioners of the County of Anoka, State of Minnesota:
The undersigned effectors, whose lands will be liable to be covered by or to cross the county ditch herein petitioned for the public spectrally represent that the health, convenience and welfare of the establishment and extension of the proposed ditch along the following described route in the town of Burns, county of Anoka, state of Minnesota; that the construction of the same would be a public benefit and utility for the following reasons, to-wit: It will be a public benefit for it will construct and drain in the neighborhood of one thousand (1000) acres of wet, worthless land and contrary to the spirit of the good hay lands.

And it will improve the public health in that it will drain many acres of stagnant water which may at any time injure the health of those who live here.
And it will improve the lands, which will increase the taxes of the town of Burns.
A general description of the proposed ditch is as follows:
Commencing at the lowest point in the n. 1/2 of the east 1/4 of section 18, T. 33. R. 25. W. of the 4th P. M. 1/4, the said town of Burns in the county of Anoka, and running thence northerly in the said section 18, and easterly in sections 6 and 16 and northerly in section 15, connecting with the natural drain between Miller Lake and Goose Lake in section 16, and thence following the said natural drain in said section 16, and terminating in Goose Lake in section 15, and thence all in T. 33. R. 25. in the town of Burns in the county of Anoka.

Your petitioners also pray that the necessary branch drains may be laid to drain all the wet and marshy lands that can be drained by this main ditch with reasonable expense.
And your petitioners pray that you will proceed to establish such county ditch and cause the same to be constructed as provided by chapter number 290 of the General Laws of the State of Minnesota for the year 1905, and laws amended therefor.

This petition is dated this 29th day of October, A. D. 1907.
