NOTARY PUBLIC, Anoka County, Minn.

To the Board of County Commissioners,
of the County of Anoka, State of Minnesota,.

The undersigned, owners of land liable to be affected by the establishment of the certain public ditch commencing in a marsh in the S.E.1-4 of Sec.6, Township 32, Range 23, in Anoka County, and terminating in Clark's Brook, so called, and the branches thereof, as petitioned for by John Olson and others, and also other freeholders and residents of the vicinity thereof, do hereby respectfully represent and state to your Honorable Board that said ditch is not of any public utility, conducive to public health, nor of public benefit or convenience, and do hereby remonstrate against the location and establishment of said ditch for the reason that the location and establishment of said ditch as proposed will cause great damage to the lands between the proposed termination, of said ditch and Rum River in that the said Clark's Brook and Cedar Creek, into ~~which~~ which said Brook empties, have not sufficient fall, or capacity, to discharge the water that will necessarily be turned into them, and that thereby the lands along said streams will be greatly damaged.

Wherefore the undersigned ask that said ditch be not located and established, as prayed for
