AUDITOR'S NOTICE OF PENDENCY OF
Petition.
State of Minnesota, County of Anoka, ss.
Whereas the petition of T. H. Scholbrock and
others, bearing date the 2nd day of March, 1908,
praying for the establishment of a public ditch
along the route proposed therein, has been filed
in my office.
Now, therefore, notice is hereby given of the
pendency of said petition, and that the same will
be heard and considered by and before the board
of county commissioners, at their special session
to be held at the auditor's office in the City of
Anoka, in said county, on the 6th day of May,
1908, at eleven o'clock a. m.
A true copy of said petition is as follows, to-
wit:
To the Board of County Commissioners of the
County of Anoka, State of Minnesota.
The undersigned land owners, whose lands
will be liable to be affected by, or assessed for the
expense of, the construction of the public ditch
hereinafter described, would respectfully repre-
sent that the public health, convenience and
welfare require the establishment and construc-
tion of a public ditch along the following de-
scribed route in the Town of Burns, in said
County of Anoka, and that the construction of
the same would be of public benefit and utility;
and is necessary for the following reasons, to-wit:
That it would drain and render tillable a large
quantity of land which is now wet, overflowed
and of no use for any purpose; that it would re-
move large quantities of stagnant water, which
are now a menace to the public health.
A general description of the proposed starting
point, route and terminus of said ditch is as fol-
lows:
Commencing at the lowest point in the sw¹/₄
of the sw¹/₄ of Sec. 14, in T. 33, R. 25, and thence
running along the following route: From said
point in a northeasterly direction across the n¹/₂
of the sw¹/₄, the nw¹/₄ of the sw¹/₄, the ne¹/₄ of the
se¹/₄ and the se¹/₄ of the ne¹/₄ of said Section 14, to
Ford brook, and terminating at said Ford brook
as its outlet, with such branch or branches as
may be advantageous and render said ditch of
the greatest benefit.
And your petitioners pray that you will pro-
ceed to establish such public ditch and branches
and cause the same to be constructed as provided
by Chapter Two Hundred and Thirty (230) of the
General Laws of Minnesota of 1905, and laws
amendatory thereto.
Dated March 2nd, 1908.
