PETITION FOR PUBLIC DITCH.

To the Board of County Commissioners of the County of _Anoka_,
     State of Minnesota:

    The undersigned land owners, whose lands will be liable to be affected by, or assessed for the expense of, the construction of the _public ditch and branches_
hereinafter described, would respectfully represent that the public health, convenience and welfare require the establishment and construction of a _public ditch and branches_
along the following described route in the Town___of _Anoka_
_____*in said County of* _Anoka_
that the construction of the same would be of public benefit and utility, and is necessary for the the following reasons, to-wit: _Large area of land along the course of the proposed ditch are wet, over flowed, and largely covered with stagnant water, constituting a menace to the public health, and are useless for any purpose, which would be rendered valuable for farming and other purposes by the construction of such proposed ditch and branches, and that public health will be benefitted by the removal of said stagnant water_

    A general description of the proposed starting point, route and terminus of said _public ditch_
is as follows:
    Commencing at _the lowest point in the northwest quarter of the northeast quarter of Section fifteen, Township thirty one. Range twenty four_

thence running along the following route: _Southerly, following generally the natural flow of the water, through said section fifteen, and southeasterly through sections twenty two and twenty three, said town and Range, following generally the present ditch_

and terminating at _Coon Creek in said section twenty three_

as its outlet _____

Together with such branch or branches as may be necessary to drain the territory tributary to said ditch, and to render the same most beneficial and effectual
