Auditor's Notice of Pendency of Petition.

State of Minnesota, County of Anoka, ss.—
Whereas the petition of H. A. Tangent and others, bearing date the 28th day of July, 1909, a true copy of which follows below, praying for the establishment of a public ditch along the route proposed therein, has been filed in my office; Now, therefore, notice is hereby given of the pendency of said petition and that the same will be heard and considered by and before the Board of County Commissioners at their special session to be held at the auditor's office in the City of Anoka in said county on the 4th day of April, 1910, at 10:30 o'clock a. m.

ARTHUR A. CASWELL,
Auditor of Anoka County.

To the Board of County Commissioners of the County of Anoka, State of Minnesota:

The undersigned land owners, whose lands will be liable to be affected by or assessed for the expense of the construction of the public ditch and branches hereinafter described, would respectfully represent that the public health, convenience and welfare require the establishment and construction of a public ditch and branches along the following described route in the Town of Anoka in said County of Anoka; that the construction of the same would be of public benefit and utility and is necessary for the following reasons, to-wit: large areas of land along the course of the proposed ditch are wet, overflowed and largely covered with stagnant water, constituting a menace to the public health, and are useless for any purpose, which would be rendered valuable for farming and other purposes by the construction of such proposed ditch and branches, and the public health would be benefited by the removal of such stagnant water. A general description of the proposed starting point, route and terminus of said public ditch is as follows: commencing at the lowest point in the Northwest Quarter of the Northeast Quarter of Section Fifteen, Township Thirty-One, Range Twenty-Four, thence running along the following route: southerly, following generally the natural flow of the water, through said section fifteen, and southerly through sections twenty-two and twenty-three, said town and range, following generally the present ditch, and terminating at Coon Creek in said section twenty-three as its outlet, together with such branch or branches as may be necessary to drain the territory tributary to said ditch, and to render the same most beneficial and effectual. And your petitioners pray that you will proceed to establish such public ditch and branches and cause the same to be constructed as provided by Chapter Two Hundred and thirty (230) of the General Laws of Minnesota for 1905 and the acts amendatory thereof and supplementary thereto.

Dated July 28th, 1909.

H. A. TANGENT,
W. H. BARNEY,
C. M. BARNEY,
GEO. R. SHIER,
